

WORLD OF RADIO #962, produced Oct 21, 1998 by Glenn Hauser

- *The new Oct-Nov Continent of Media now available on the web at <http://www.DXing.com/ContinentOfMedia.html>
- *Second repeats of COM and WOR have been running half an hour later than expected on RFPI, early Saturday and Sunday
- *World Radio Network times for WOR from Oct 25; see <http://www.wrn.org>
- *On RFPI, WOR stays at UT Fri 2000, Sat 1800, Sun 2300, Tue 1900, plus 8 and 15 or 15.5 hours later on some of: 6975, 15049, 21460-USB; in areas going off DST, this seems one hour earlier by local time
- *Check <https://www.angelfire.com/ok/worldofradio> for our complete schedule including shifted times on WWCR
- *WOR on WWCR 5070 missing last Sunday 0630 and 0930, but still supposed to be then, shifting to 0730 and 1030
- *WOR missing last Saturday morning from KNOR and KOKC in OKC
- *WOR back on WGHR, Marietta GA, 100.7 with WRN relay
- *WGTG-2 ready to go with new rhombic antenna; waiting on final tests and FCC authorization; would like to specialize in liberal programming as "WFPI" World for Peace International
- *WBCQ 7415 time authorized; will shift for DST; added Brother Stair; Scriptures for America replaced by worse program, Jeff Baker; an open hour; where is Margo Sierra coming from? Added Spiritual Awakening
- *Phony Art Bell statement widely quoted; what he really says
- *Boston talkhost Jerry Williams gone from WRKO; see <http://www.radiodigest.com>
- *North Dakota DX test didn't happen; next: Nov 2 from KLER Idaho
- *Rare migrating Saskatchewan burrowing owls with radio tags need to be monitored; see <http://members.aol.com/~homingin/>
- *CBL Toronto gets reprieve on AM
- *One Dominican Republic SW station back after hurricane
- *Easy-to-remember Peruvian SW frequency well heard
- *Standard disclaimer
- *Via satellite, internet, cable, FM, AM and shortwave, World of Radio 962; wghauser@hotmail.com P O Box 1684, Enid, OK 73702 fax if really necessary: 1-580-233-2948 attn Hauser
- *Radio St. Helena Day, Sat Oct 24: propagation prediction of no reception beyond east coast; no Day expected next year
- *Radio EuroGeek to accompany St. Helena
- *Mozambique reactivates SW frequency after more than a year
- *New English schedule from Channel Africa
- *R. Kudirat, clandestine for Nigeria, is daily, not just Sats
- *V. of Africa, Libya, heard again in English, French
- *R. Tirana's new English schedule
- *Austria's new English to the Americas
- *TDF, France, plans 30 percent reduction in SW usage this season
- *Laser Hot Hits pirate from Europe widely heard including NAM
- *IMR Radio active only on 52 meter band

*Some new BBC frequencies for/from North America; oblivious of interference to Mexico
*BBC previews: Composer of the Month; Performance; Play of the Week competition winner
*Merlin Network One began fulltime satellite and SW Oct 19; but frequency schedule to change again; check their website <http://www.mno.net>
*Pictorial tribute to Abe Nathan's Voice of Peace, at http://www.infothuis.nl/smc/foto_vop.htm
*Clandestines from Iran: V. of the Palestinian Islamic Revolution; V. of the Islamic Revolution in Iraq
*Anti-Taleban forces re-take R. Takhar, Taloqan, Afghanistan
*Democratic Voice of Burma via another site--Khabarovsk?
*China's morning frequencies heard in North America
*The most absurd website: <http://www.kcna.co.jp>
*Papua New Guinea's primary frequency is back
*Australia beginning DST; some RA programs shift but most not
*Site with thousands of links: <http://www.radiodirectory.com>
*South Korea develops 11-cm thick TV screen, to be 100 gigadollar item in a few years
*Propagation outlook from Boulder, issued Oct 20; flux peak 125
*That's it, that's it for WOR 962; I'm Glenn Hauser ###
